### Incident Comments

---

**Dave Slaunwhite****District 2**

Responded to A/L for a squatters shed on fire. Arrived and checked with command. Fire was on the interior and quickly extinguished. Once confirmed nobody was inside back up was returned. Investigation conducted by Captain Bussey. Cleared incident, RTS

**Nick Foshay****A03**

Responded code 1 for a reported shed fire at the address listed.

Canceled en route by command

RTQ

**Bruce Mosher****4E**

Responded code 1, canceled by command. RTQ

**Geoff Garber****E03**

Responded code 1 to listed address. Level 1 staged until released by command. 3E RTQ

**Stephen Bussey****2E**

Received tone for a structure fire at 2032 Parker Street. Responded code one, from the station, on ops channel two. Nothing notable en route. Arrived on scene of a small single storey hut with smoke showing from the eaves. Established Parker command. Had a bumper line run to the front door for search, rescue and fire control. Made entry and quickly extinguished all visible fire. Returned all back up except 3E. Overhauled the fire location, and confirmed a primary all clear. Fire was declared out, and 3E was released. Gear was repacked. Spoke with the occupant of the hut as well as police that were first on scene. Investigation was completed. Occupant had left the location. Terminated command. Mobile to station 4, out of service for bunker gear. Returned to the station and placed back in service once gear returned to ready state.

**Rob Hebb****Tact12**

Responded code 1 from station to above location.

Cancelled by command enroute.

Tact12 RTQ

**Nick Antoft****PC Core**

Responded Code 1 from Station 13, no unusual problems on rote. Released from the call when Command reported that the fire was out and backup was released.

End of report.

Contents Loss	100	Structure Loss	0
Equipment Loss	0	Vehicle Loss	0
Camera Submitted	Yes	Photo Log	Yes
		Physical Evidence examined, secured?	

## Investigation Narrative

After fire was completely extinguished and overhauled the investigation was started. Pictures were taken of the scene and submitted. Spoke with occupant and police officer first on scene. There was no electricity connected to the building. There was a sleeping mattress that had a burner unit near it (either on top or under), right in the area of the burn pattern. Confirmed with police officer Pierre Cadeaux that the origin was in the mattress area when he first checked inside. The occupant had not been in the building for three hours prior to the fire being noticed. Likely that the burner unit had been left unattended and had caught either the mattress or clothes in the area on fire which spread to the wall of the building. Fire was deemed to be accidental.
